*"Our Home Church Away from Home"*

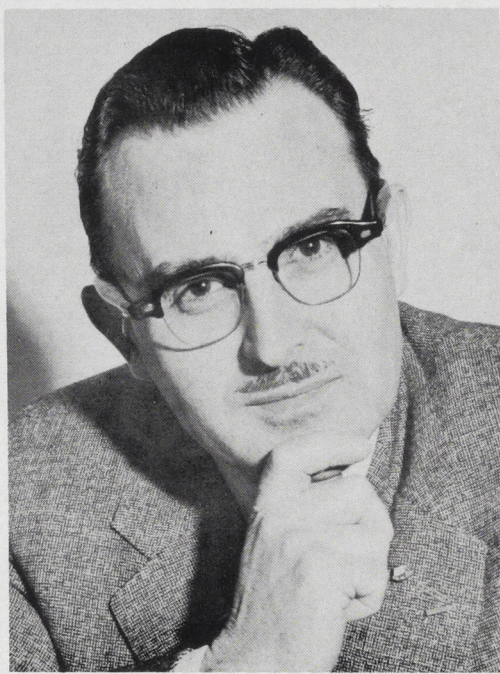

## *Dedication*

It is with great pleasure that we, the students of the Full Gospel Bible Institute, dedicate this year book to the Board and Members of the Assembly of the Eston Full Gospel Church.

Words cannot express the appreciation we feel for your wholehearted welcome, your christian fellowship and encouragement, and faithful prayers on our behalf.

Our sincere thanks for making this, in every way, our "home church away from home".

# *Principal's Message*

Never before in the history of the world have we faced a greater need for labourers who are filled with the Holy Spirit and who are grounded in God's word. This presents a challenge to every serious thinking christian.

There are some things only God can do in the hearts and lives of His people in preparing them for His service. Yet there are other things He has planned would be accomplished through human ministry. Realizing this, it is a real privilege but it is also a solemn responsibility to be entrusted by the Lord with the preparation of young men and women to meet the challenge and to help fill the great need in the world's harvest field.

We do thank the Lord for every member of the staff and faculty who faithfully share in this work. In this Year Book you will find a picture of each one of them and a brief account of their various responsibilities or the subjects which they teach. My subjects are, The Baptism In The Holy Spirit with the First Year class; a verse by verse study of The Epistle of Romans with the First and Second Year classes; and a

study of the Old Testament Tabernacle with the Third Year class.

In what ever capacity any of us may serve we are all deeply conscious of our dependence upon the Lord and the prayers of His people that we might be faithful in the responsibilities which are ours.

We shall always be grateful to the Lord for all who have so faithfully stood with us in so many different ways in making the work possible. As this book is especially dedicated to the Eston Full Gospel Church which has served as the mother assembly to our Bible School family, we want to express our heartfelt gratitude to each one, for the part they have had in this work in the years which are past.

Now as we come to the end of another term and another group of graduates are leaving our midst we extend to them our sincere congratulations. We want to assure them they will always have a very close place in our hearts. Our prayers go with them that God will guide and direct every one of them into the centre of His will and that each one may be greatly used in His service.

The subjects you like best you teach best. That is how I feel about the subjects I teach here in F.G.B.I. Each one of these seem to add to your spiritual growth and stature increasing your usability of God and to His service.

Church History is the story of the building of the glorious Church of Christ against which the "gates of Hell" will never prevail.

Christian Evidence secures your belief that the Bible is indeed the Word of God in truth, verbally inspired and given to us by "holy men of God as they were moved by the Holy Ghost."

Pastoral Theology assures you of the conduct of a true shepherd based on Bible Ethics and Standards.

False Cults is a study designed to help in "contending earnestly" for the faith as delineated in the Word of God.

Congregational Conducting assures you of Song leadership in your assembly.

English Bible lays the foundation as to "HOW" we got our English Bible known as the King James Version.

The Gospel of John is treated verse by verse over the three-year course. It is rightly termed the "Gospel of Belief."

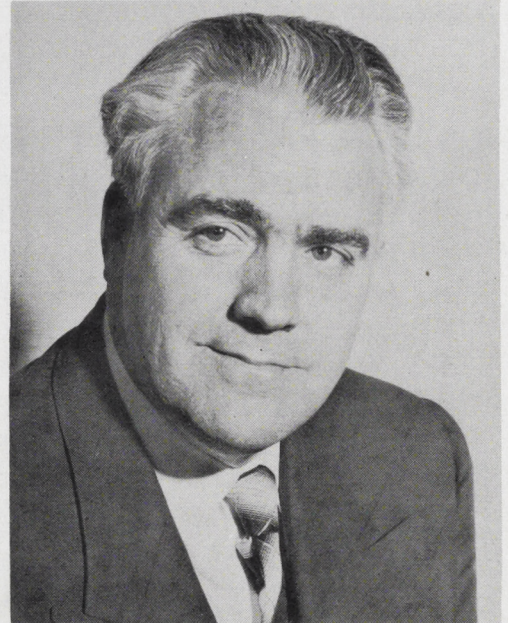

At F.G.B.I. it is our joy to teach 1st, 2nd and 3rd year Bible Construction. In **FIRST YEAR Bible Construction** we endeavour to outline all the Historical Books of the Old Testament including the Pentateuch. Chart Studies of the Kings, dispensations, and relative studies, lay a foundation for a complete survey of the Bible.

In the course of the first year studies, a dozen charts are given and the student who compiles the neatest and best "chart booklet" wins a prize. (The 1956-57 class winner was Ken Haase.)

**SECOND YEAR Bible Construction** includes a survey of the New Testament with special emphasis on the Prophecy of Revelation.

**THIRD YEAR Bible Construction** includes a survey of the Old Testament Poetical and Prophetical books with special emphasis on **DANIEL** and the so-called **MINOR PROPHETS**.

Each year emphasis is placed on the importance of numbers in the Bible. Numbers mean nothing if they are not literal. Forty years in the wilderness did not mean thirty years. Seventy years in Babylon did not mean sixty. Seven churches in Revelation do not mean seventy. A thousand years does not mean two thousand. Because of this emphasis, L.O.P. is proverbially known by the phrase "70 means 70."

## FIRST YEAR

**Bible Doctrine**—Reveals the infallibility of the Word of God; Man, who through the sin of Adam, is eternally lost and in need of SALVATION by REGENERATION through faith in Jesus Christ who alone gives JUSTIFICATION.

## SECOND YEAR

**Bible Doctrine**—Is the work of the cross in: Redemption, Propitiation, Reconciliation and Sanctification. These are not obtained by law works, "For by **Grace** are ye saved through faith." Jew and **Gentile** alike are saved by Grace in the **New Covenant** of His blood, and through acceptance of this, we will meet the Lord in the air and be forever with Him.

## THIRD YEAR

**Christology**—God in love sent Christ to be crucified, that sinful men by faith in Christ can have forgiveness of sins. The resurrected Christ will soon come for all who have accepted Him and He will be the Judge of all who reject God's plan of Salvation.

## SECOND AND THIRD YEARS

**Acts**—Of men empowered by the Holy Spirit to work signs and wonders, proclaiming the good news, "Believe on the Lord Jesus Christ and thou shalt be saved."

## PEDAGOGY

In this course, we study the scriptural basis of the teaching ministry, the methods of Jesus, the Master-Teacher, and their application to Sunday School teaching of today. The Laws of Teaching and the methods of lesson preparation and presentation are covered as related to Bible Clubs, Bible Camps, Vacation Bible School, Sunday School and other forms of ministry to the children and youth.

## CHILD STUDY

To effectively meet the spiritual needs of children, we must be familiar with the characteristics and needs of each age group. In these studies, we cover the physical, mental, social and spiritual characteristics of each age group from infancy to adulthood. We learn how to use these traits to train them in God's Word.

## SUNDAY SCHOOL ADMINISTRATION

To operate most effectively and efficiently, a Sunday School must be properly organized. Pupils must be grouped and graded according to their needs and learning ability. Teachers and officers must be trained. In this course, we study the requirements of a successful Sunday School and how to put them into practice.

"Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, He may give it you." John 15:16.

Every thing produces after its kind, therefore any effort to increase our fruitbearing as christians will receive the direct seal of God. Such are the blessings we enjoy in Personal Evangelism classes with the first years. Systematically we discover how to lead the sinner to Christ.

**All have sinned and need a Saviour.** Rom. 3:23, Isa. 53:6.

**The wages of sin is death.** Rom. 6:23.

**The remedy for sin—the Gospel of Jesus Christ.** 1 Cor. 15:1-4.

**The only condition of salvation—Believe.** Acts 16:31.

**Eternal life is given to those that believe.** John 5:24.

**Christ's power will keep you.** Phil. 1:6, Jude 24.

**The time to decide for Christ is NOW.** Prov. 27:1.

In the second year class, we have been studying Eschatology, a study of future things such as Heaven and Hell, while with the third year class, we have revelled in the glorious heavenly truths of the Epistle to the Ephesians.

Teaching the first year class Jude, and Bibliology, the second year class Theology Proper, the third year class Homiletics.

The little book of Jude, with its strong exhortation to "earnestly contend for the faith" and its warning to apostate teachers who seek to turn people away from the truth of the gospel that will save their souls, is taught in our first year studies. Bibliology exalt the wonderful Book of Books, the Holy Bible, an interesting study on the facts concerning the Bible, that inspired Word that is the power of God unto salvation to all that believe.

Theology Proper is a study of the facts concerning our God. It begins with the study of the Hebrew names of God and their meaning, then the attributes of God. In this study we see God as the almighty, wise, faithful Creator, our Saviour.

Homiletics, the science of preaching, setting forth tried and proven methods of presenting the gospel, that we may be more effective in winning souls for Christ.

### The Gifts of the Holy Spirit:

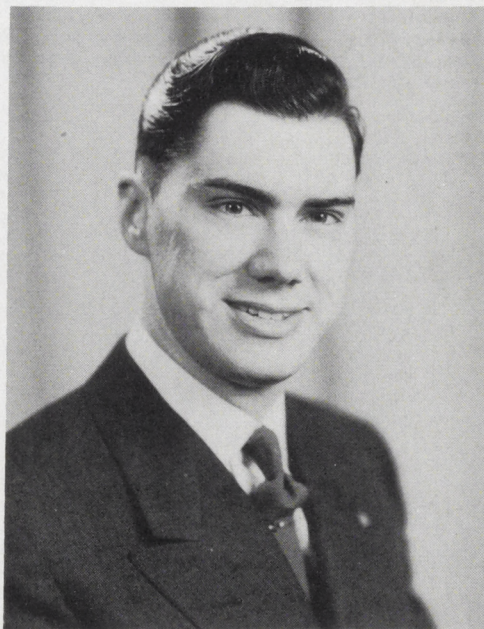

To fully experience the Power of the Holy Spirit in the lives and ministry of believers, it is necessary to understand the teaching of the Gifts of the Spirit, as Paul enumerates them as given in 1 Cor. 12. Great is the tragedy when we think of the lack of knowledge among Christians as to the operation of these "spirituals". It is the plan of God that each of these "gifts" should be in full manifestation in every local church.

### The Church and Missions:

The supreme task of the church is the evangelization of the world. In the study of missions according to the New Testament plan, we note that Paul was a church planter. The fruit of His labours was always leaving behind an established church, with elders, deacons, and governments in operation according to the New Testament pattern. The church planted becomes responsible for the evangelization of the "regions beyond". The "World" is the field ready to be evangelized by the church equipped with "Spiritual Power".

I am convinced that Christian writing is a ministry just as important as preaching or missionary work. The importance of Christian journalism is further emphasized when we realize the way in which the enemies of the Gospel of the Grace of God have studied to capture the minds and hearts of young and old through the printed page. Today, the presses of the world are pouring forth a flood of suggestive, seductive and subversive literature.

Realizing the need of teaching the basic techniques of Christian journalism, the Full Gospel Bible Institute is providing practical, down-to-earth instruction on how to write properly organized material in keeping with the tempo of today's newspapers and magazines. Prospective ministers and Sunday school workers will find this training invaluable.

# Staff

Business Manager  
J. R. BURNSIDE

In 1956, a much needed member was added to the Staff, namely Bro. Burnside, as business manager.

Responsibilities and burdens resting on his shoulders are many and varied. His great love and interest in young people enables him to fill his position well and he has endeared himself to the hearts of the students.

Bro. Burnside is one of the original members of the Bible School Board and has had a vital interest in the School. He also has a vision for the work of missions, proving to be a challenge to many.

We do appreciate his ministry in the School, and thank God for his love and interest in the work of the Lord here.

Pearl Krogel, our faithful and dependable Registrar and Secretary, continues to do a very important part of the work of the Staff as she takes care of all the minute details connected with the office. As an efficient and capable Staff member, she works quietly and cheerfully, keeping everything in the office running smoothly.

MR. WEEDMARK

MRS. WEEDMARK

Bro. and Sis. Weedmark are new members of the Staff this year. They came to us from Neelin, Man., and have taken over the duties and responsibilities of the kitchen.

It has been their task to satisfy the various dietitional tastes of 74 students. This has been a new experience for them and they have done a splendid job of meeting the demands placed upon them.

It was indeed a thrill for them to move into and enjoy the facilities of the spacious new dining hall and kitchen, so recently occupied.

MAVIS STEIN, R.N.

We do appreciate having Flo and Mavis with us again and serving in this capacity; also their willingness to add this extra responsibility to their busy schedule.

It has been our privilege to prepare for you another chapter of the Burning Lamp.

As its pages are read it is the prayer of our hearts that not only will it picture life at F.G.B.I. but, because of something found between its covers, many might be encouraged in their Christian walk. We pray, too, that some might find the Lord Jesus Christ as their personal Saviour, and to others, that it will be an influence to give themselves to a time of study in God's Word in preparation for His service.

With the conclusion of this chapter of the Burning Lamp it is for "the Gleaners," the graduating class, the closing of a wonderful chapter in our lives. We trust by God's grace it will be the beginning of an even better one for His glory.

For "the Challengers", the second year students, it is with the anticipation of a goal in sight, that they look ahead, realizing that through another term they have been challenged over and over again from God's Word to be at their best for Him.

It has indeed been the beginning, for "the Torchbearers", the first year class, of which we trust will be one of the most important chapters in their lives; one that they might have an increasing desire to complete.

Looking back each one of us can say, "He hath done great things for us whereof we are glad".

I would like to thank each one of the above committees, and all others who have helped, for their faithful and untiring co-operation in our efforts together in preparing this book. God bless you.

ROSS REID

God has given to man a treasure more valuable than all the silver and gold in the world. Sad to say it is so common that most people do not realize its infinite worth. This unique treasure is God's Word, which is known as the Bible.

Modernists today have tried to undermine the absolute reliability of God's Book. Most homes in our country, although they have access to the Book of Books, do not read It. Worst of all professing Christians have lost their hunger for God's Word.

When we examine God's Book we find that God has revealed to us all of His great mind that we need to know. In it the way of salvation through personal faith in Jesus Christ is revealed. The Christian who reads It will be established in the faith and will be able

to live a happy and fruitful life. God's plan for the world and his many provisions and promises which he wants us to have are made known in the Bible. Joshua 1:8 tells us that if we will meditate in God's words and live by its precepts, we will be prosperous and have good success. David desired the Word of God more than fine gold, and Job even esteemed it more necessary than natural food.

Here at Bible School we have had the privilege of examining this priceless treasure and searching out its unfathomable depths. It has revolutionized our lives and given us a burning desire to make it known to others who haven't heard. It is also our desire that you, too, may realize God's plan for your life through His precious Word.

## *Class History*

It took God to change our motives and our aims in life to bring us from secular work, together as a class of students in the fall of 1955 to study His Holy Word. This is what He did when He brought to F.G.B.I. our class; eight from cities and the rest from the town and rural areas. Of these, fourteen were from Saskatchewan, three from Alberta, four from B.C., two from Manitoba, and one from Ireland. From various walks of life we came, farmers, secretaries, factory workers, lumberjacks, a preacher's son, a bank clerk, and a contractor. In spite of our various backgrounds we had one thing in common—a desire to study the Bible.

During our first year, "Gleaners" was chosen as our class name and Mildred Sauer as our class representative.

Of our number, twenty returned for their second year. Wendell Mills joined us, making a class of twenty-one. This term proved to be an eventful one, with new experiences and responsibilities. Mary Kerr was chosen to act as vice-president of the Student Council, and

Mel Hanson was elected as our class representative. The highlight of the year was the wonderful outpouring and moving of the Holy Spirit among the students.

During the summer of '57 the ties were strengthened between us by class bulletins, relating our experiences in whatever field of service we were found.

It was a disappointment to find four of our number had not returned for their third and final term. However, Hazel Wilken returned for her final year, making us a class of eighteen. Mel Hanson was chosen as President of the Student Council, our class representatives being John Abraham and Agnes Hall.

It would be impossible to tell all that these three terms at F.G.B.I. have meant in each of our lives, but we stand on God's Word, "... He which hath begun a good work in you will perform it until the day of Jesus Christ". —Phil. 1:6.

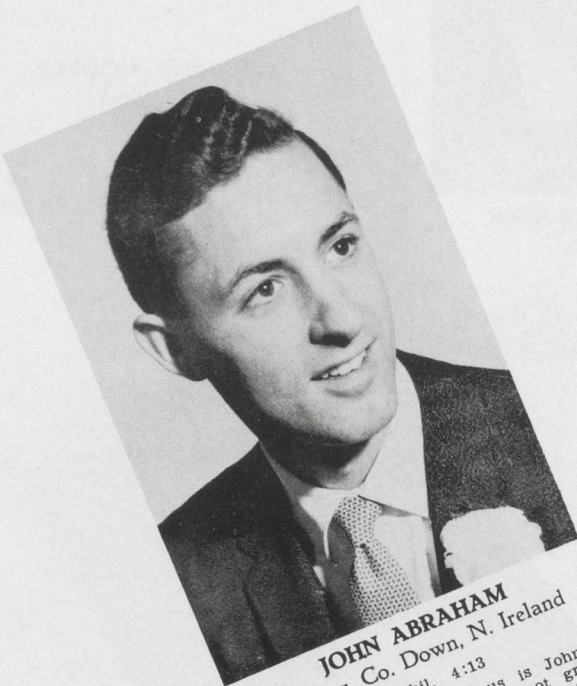

Pray for us that spiritually speaking, we will be "Gleaners" by name and by nature.

As we the second year class go out this spring from school—some of us to secular work, others to full time ministry—there will be times of discouragement and disappointment, there will be times of anxiety and frustration; but we serve a faithful God who has promised us a harvest. Therefore when these times come let us lean on this verse and go on with new life.

Let us also band together in prayer; remembering each one of the Challengers, that God will use us this summer and bring us back for our final year at F.G.B.I.

FACULTY, STAFF AND STUDENT BODY

# CLASS FUNCTIONS

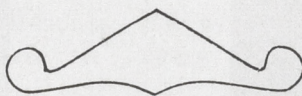

Shortly before the completion of the term in 1957, Class Functions were started.

Each class has as their sponsor their choice of a member of the faculty, who continues as such throughout the three-year term.

These gatherings are arranged on evenings suitable to each class. After a short time of entertainment, lunch is served, and class projects, summer bulletins or other business pertaining to the class, is discussed.

What has proven to be the most joyful and uplifting part of the evening follows, a time of testimony and fellowship. This has not only blessed our souls, but has created a new bond of love and unity among the class members. To climax this wonderful evening a message is given from God's Word by our sponsor.

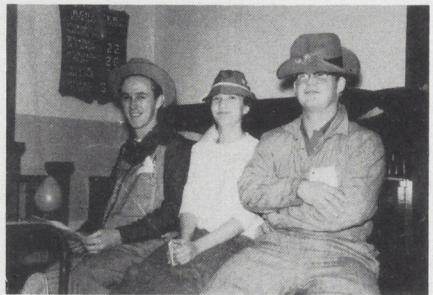

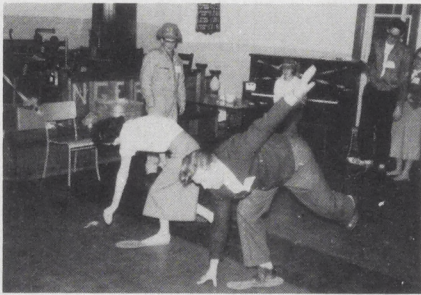

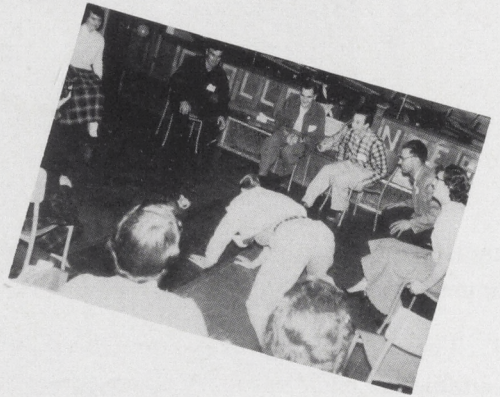

It is our prayer, that in future years, these evenings might continue to be the blessing they have been to us.

# PRAYER BANDS

According to the custom of past years the students of F.G.B.I. are divided into Prayer Bands representing the various countries and areas of the world. Each group meets once a week for prayer. Every member of the Prayer Band endeavours to write to one or more of the missionaries in the field for which they have a burden. Thus, we receive letters voicing the requests most near to the hearts of the missionaries in that particular area.

Our Prayer Bands are those of Home Missions; India; China, Japan and Korea; South America; Island World; Europe; and Africa. On the average there are

from ten to twelve of us on a Prayer Band. In their turn, each Band takes charge of the devotional service Wednesday mornings and once a month in the Full Gospel Church for Young Peoples' service Saturday night.

During these services the various needs are presented from the different areas and we thank the Lord for the concern and vision many receive for these fields. Some of our number from previous years are already on the whitened harvest fields of the world, and others are preparing to follow as we hear the Lord of the Harvest saying, "Go ye into all the world, and preach the Gospel to every creature".

## *"Sing Unto The Lord a New Song"*

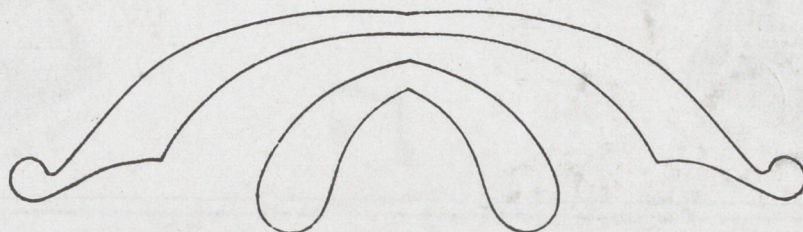

"Sing unto the Lord a new song . . .".  
Psa. 96:1.

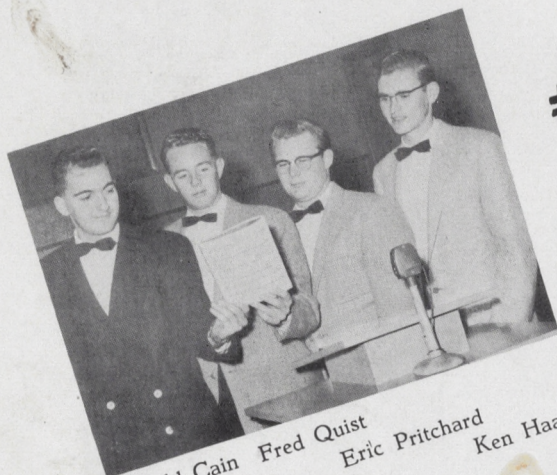

This year one of the largest choirs in the history of F.G.B.I. is again singing out the gospel story under the capable leadership of Rev. A. D. Marshall, with Miss Norma Johnston as pianist.

What an uplift it is to the hearts of the students as they meet regularly for practise, and in the rendering of these choir pieces, which also adds much to the spiritual worship of the Assembly.

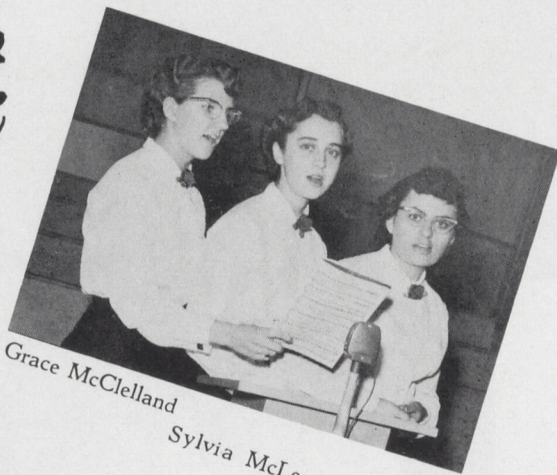

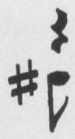

Apart from the choir, place is always given for other vocal and instrumental arrangements through which the various students are able to develop the talent the Lord has given them.

In the past year Bro. Marshall has toured Alberta and Saskatchewan with the choir and last fall with the Bible School Male Quartet. Not only have these tours been a blessing to the Assemblies visited but also to the hearts of those whose privilege it was to go.

# Happy Hour Bible Clubs

Happy Hour Bible Clubs have become a very vital part of our Bible School training. How we praise God for what has been done, not only in the hearts of boys and girls, but also in the hearts of the students taking part.

Each week clubs are held at Eston, Eatonia, Elrose and Brock. A leader is appointed for each club and we do thank the

Lord for those that have the burden on their hearts of reaching boys and girls with the gospel story.

Happy Hour Rallies are held at the end of each semester giving the parents and others interested an opportunity to see and hear just what the children are learning.

Pray for this effort to "Reach tomorrow's adults today".

# Sunday School News

D. I. Gillett

L. W. Peskett

The F.G.B.I. student body were privileged to attend the first Sunday School Convention of the Apostolic Church of Pentecost held October 28 to 30 in the Eston Full Gospel Church.

Classes were conducted each day from 2-4 and 6:30-8 p.m., climaxed each evening by Visual Demonstrations, films and a challenge from God's Word. We trust the S.S. Challenge will remain and grow in the heart of each student.

## - and Views

I was talking to a preacher just the other day.  
He was discussing with me the most effective way  
To rescue lost, sin-sick souls, from their eternal ruin.  
For both of us were agreed, that Christ is coming soon.

"Seek to win the adults, who are bound by sin", said he,  
"Don't waste time with kids, who should be trained at  
mother's knee.  
In these last and closing days a fellow is a fool  
To go and spend precious time with kids in Sunday  
School".

I said, "I agree, home is where a child should be taught;  
But where do parents teach them, the Bible as they  
ought?  
What about homes where parents in sinful pathways  
trod?  
What about homes where parents do not read the Word  
of God?

Children are seldom taught about Christ at home or  
school.  
And in church our sermons don't reach children as a  
rule,  
When parents don't have their children to the Saviour  
won,  
It's time that we take the torch and see the job is done.

Each week for a child, 25 hours to school is sent,  
Seven hours eating, 70 hours in bed is spent.  
This should make us realize, how precious is the worth  
Of an hour spent in Sunday School, with the best Book  
on earth.

When there are no Sunday Schools, it is to our sorrow,  
For today's Sunday School is the church of tomorrow.  
From it come our church members, 75 percent,  
And most missionaries, who to foreign lands are sent.

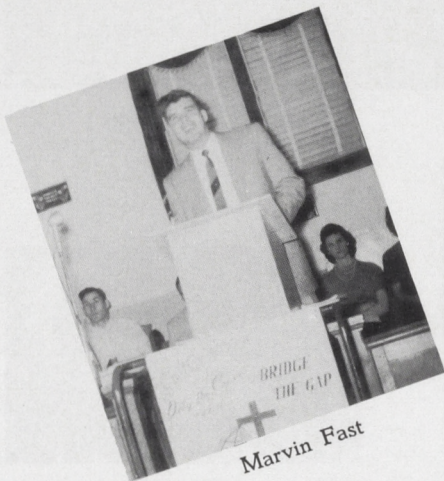

There's a man of the F.B.I., J. Edgar Hoover,  
Who proves a Sunday School is a great crime remover.  
Ninety-eight percent of children trained in Sunday  
Schools  
Don't end up in crime courts for breaking the country's  
rules.

In these closing days of time, to be a soul winner,  
We can through reaching kids, reach the home of a  
sinner.  
So I believe that we must reach children with the Word,  
As lambs are to the shepherd, children are to the Lord".

Then that preacher looked at me, a gleam came in his eye.  
He said, "To start a Sunday School, I think that I will  
try.  
Thanks for the exhortation; you've made me realize  
That children are important, regardless of the size".

—RON HOOPER.

## *A Message from The Alumni Association*

We of the Alumni Association wish to extend our warmest good wishes to the graduating class of 1958, and welcome them into our fellowship as full-fledged members. The Alumni Association includes as members all graduates of the Full Gospel Bible Institute, and of the former Apostolic Missionary Training Institute of Saskatoon. Associate members are those who, although not completing the three-year course to graduation, have been students in either Bible School.

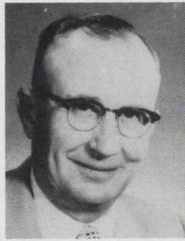

This is indeed a large "family", and one that in a very marked way owes much to the School. Those of us who have spent several winters studying the Word of God under the sound ministry of our excellent teaching

faculty are aware of the tremendous impression that has been made on our lives. We are all deeply convinced as to the value of Bible School training, and wish, as a great body of young men and women, to join our voices in heartily endorsing F.G.B.I. as a training centre worthy of your confidence and fullest support.

To every young person looking for the Will of God in your life—consider Bible School first. Before you take that nurse's training—or University—or Business College—seriously ask yourself if it might not be the Lord's will for you to come to F.G.B.I. and receive a training that will be a solid foundation for your later life. We look forward to welcoming you into our Alumni fellowship.

## Doctrinal Basis

1. Verbal Inspiration of the accepted Canon of the Sacred Scriptures as originally given. (2 Tim. 3:16; 1 Cor. 2:13).
2. The Tri-unity of the Godhead. (Matt. 28:19; Gal. 3:20).
3. The creation, test and fall of man, as recorded in Genesis; his total spiritual depravity and inability to attain to divine righteousness. (Romans 5:12, 18).
4. The Saviour of men, the Lord Jesus Christ, conceived of the Holy Spirit, born of the Virgin Mary, very God and very Man. (Luke 1:30, Jno. 1:18, Isa. 9:6).
5. The Gospel of the Grace of God, how that Christ died for our sins, was buried and rose again the third day for our justification. (I Cor. 14:1-4, Rom. 4:25).
6. The salvation of sinners by Grace alone, through the faith in the perfect and sufficient work of the Cross of Calvary, by which we secure remission of sins. (Eph. 2:8, 9; Heb. 9:12, 22; Rom. 5:1.)
7. The bodily ascension of Jesus to Heaven, His exaltation, and His Personal coming for His Church (Jno. 14:2, 3; I Thess. 4:13-18), and His rule of the nations of the earth for one thousand years. (Zech. 14:4, 5, 9; Isa. 11:1-4; Rev. 20:6).
8. Water Baptism of believers by immersion in the Name of our Lord Jesus Christ. (Acts 19:5; 10:47, 48; 8:37, 38.)
9. The Baptism with the Holy Spirit as an experience subsequent to salvation, with the scriptural evidence; namely, speaking in tongues. (Acts 8:14-17; 10:44-46; Gal. 3:14, 15.)
10. The gifts of the Spirit as enumerated in I Corinthians being exercised and practiced as manifest in the early Church. (I Cor. 12 to 14.)
11. The Spirit-filled life, a life of separation from the world, and the perfecting of holiness in the fear of God as an expression of Christian faith. (Eph. 5:18, II Cor. 6:14, II Cor. 7:1.)
12. The healing of the body by Divine Power, or Divine Healing in many aspects as practiced by the Early Church. Acts 4:30, Rom. 8:11, I Cor. 12:9; Jas. 5:14.)
13. The Lord's Memorial, commonly called Supper, for believers. (I Cor. 11:23-32.)
14. The eternal life of the believer (Jno. 5:24; 10:28) and the eternal punishment of the unbeliever (Mark 9:43-48; II Thess. 1:9; Rev. 20:10-15.)
15. The reality and personality of Satan. (Job. 1:7; II Cor. 11:14.)

1 Cor. 3:6

Whoever reaps a harvest  
Matured by sun and rain  
Sees more than seed and fruitage  
And more than measured grain.

He knows with heart uplifted  
Returning from the field  
Man only plants believing—  
God gives the harvest yield.
